

# Tanzania Global Development Learning Centre - TGDLC

## About us

The Tanzania Global Development Learning Centre (TGDLC) is an Internationally established Development Learning Centre with modern IT equipment of facilitate knowledge sharing and training beyond boundaries of distance and time. The Centre is a Government Institution and a member of the Global development Learning Network (GDLN), a World Bank initiative ([www.gdln.org](http://www.gdln.org)). It is one of the first ten to be established in different world regions, part of over 100 existing know ledge sharing hubs on six continents under GDLN, using videoconferencing and other technologies to share learning activities world wide.

The Centre is equipped with air conditioned and soundproofed videoconferencing and multimedia rooms to facilitate a comfortable learning environment.

The Centre's Corporate Direction

## Vision

To be a leading world class development knowledge transfer centre

## Mission

To develop skills and competences of public servants, the private sector and civil society for delivery of excellent services through distance learning using cost-effective state of the art technology."

## Core Values

The Tanzania Global Development Learning Centre (TGDLC) is a public interest, non-profit organisation whose operations will, in future, be met from the income it generates.
